Re: Notice of Violation
EPA ID No.: ILD 984 767 848

Dear Mr. Skolnik:

On November 3, 2014 a representative of the U.S. Environmental Protection Agency inspected the Skolnik Industries, Inc. (Skolnik) facility, located in Chicago, Illinois. In response to violations of the Illinois Administrative Code (IAC) and the Code of Federal Regulations (CFR) identified during the inspection, EPA issued a Notice of Violation (NOV) on December 22, 2014. Subsequent to EPA's NOV, Skolnik submitted information dated January 22, 2015.

This letter is to inform you that EPA has reviewed Skolnik's response and determined that no further enforcement action will be taken at this time. This determination does not limit the applicability of the requirements evaluated, or of other federal or state statutes or regulations. Thank you for your cooperation.

If you have any questions or concerns regarding this matter, please contact Sheila Burrus, of my staff, at (312) 886-3587.

Sincerely,

A handwritten signature in blue ink that reads "Gary J. Victorine".
